PART 2B – POSITION REQUIREMENTS

2.1 ORGANIZATIONAL CONTEXT. Define the role of the position within the team, describing its leadership role, if any, it's external/internal work relationships or contacts, the contextual environment in which it operates and the scope of supervision received, and where applicable, exercised by the incumbent.

The Senior Protection Associate (Community-Based) is a member of the Protection/Durable Solutions Unit in a Country Operation and may report to the Protection Officer, Protection Officer (Community-Based), Durable Solutions Officer or another more senior staff member in the Protection Unit. Under the overall direction of the Protection Unit, and in coordination with other UNHCR staff, government, NGO partners and other stakeholders, the Senior Protection Associate (Community-Based) works directly with communities of concern to identify the risks they face and to leverage their capacities to protect themselves, their families and communities. The incumbent may have direct supervisory responsibility for part of the protection and/or support staff and supports the application of community-based protection standards, operational procedures and practices in community-based protection delivery at the field level. To fulfil this role the Senior Protection Associate (Community-Based) is required to spend a substantial percentage of her/his time working outside the office, building and maintaining networks within communities of persons of concern. The development and maintenance of constructive relationships with persons of concern that measurably impact and enhance protection planning, programming and results forms the core of the work of the Senior Protection Associate (Community-Based). The incumbent also supports the designing of a community-based protection strategy by ensuring that it is based on consultation with persons of concern.

2.2 FUNCTIONAL STATEMENT. Describe the accountabilities, responsibilities and authorities associated with the position.

Accountability (key results that will be achieved)

- Effective support and advice is provided to promote and undertake community-based protection activities which address the social, cultural, and livelihood needs of populations of concern.
- AGD sensitive analysis of community risks and capacities provides the essential basis for all of UNHCR's work.
- The participation of persons of concern is assured through continuous assessment and evaluation using participatory, rights and community based approaches, which inform protection and assistance programming and ensure that UNHCR meets its commitments to accountability to persons of concern.
- National protection capacities are improved through direct engagement, research and advocacy with all relevant external interlocutors.

Responsibility (process and functions undertaken to achieve results)

- Assist functional units the Multi-Functional Team (MFT) and senior management to integrate participatory and community-based approaches in the overall protection strategy.
- Through relationships with persons of concern and network of partners stay abreast of political, social, economic and cultural developments that have an impact on the protection environment and provide advice to the protection team. Understand the perspectives, capacities, needs and resources of the persons of concern and advise the protection team accordingly, highlighting the specific protection needs of women and men, children, youth and older persons, persons with disabilities, marginalized groups.
- Work with host communities to identify opportunities for national civil society involvement in improving the protection of persons of concern.
- Work with implementing and operational partners as well as with displaced and local communities to develop community-owned activities to address, where applicable, the social, educational, psycho-social, cultural, health, organisational and livelihood concerns as well as child protection and prevention and response to SGBV.
- Assist in the analysis that identifies the capacities of communities of concern and risks they face.
